## **Caring for Creation The Evangelical s Guide to Climate**

October 12th, 2018 - Faith Based Solutions to Caring for the Earth Climate change is a confusing and polarizing issue It may also prove to be the most daunting challenge of this century because children the elderly and the poor will be the first to feel its effects

## **How Do We Stop Climate Engineering There Is Only One Way**

March 20th, 2016 - Exposing the climate geoengineering cover up I see several problems with getting people s attention on this matter The long standing declaration of geoengineering as theoretical at most and the years long wide spread debunking of the reality of chemtrails makes many people insecure about even accepting the invitation to inform themselves as they fear to be ridiculed as conspiracy folk
